

**Annual Report to the President of No-Knock Entries
by Central Intelligence Agency Police**

This report responds to section 10(c) of Executive Order 14074, which calls for the heads of Federal law enforcement agencies to issue annual reports to the President – and to post those reports publicly – setting forth the number of no-knock entries that occurred pursuant to judicial authorization; the number of no-knock entries that occurred pursuant to exigent circumstances; and disaggregated data by circumstances for no-knock entries in which a law enforcement officer or other person was injured in the course of a no-knock entry.

By policy, CIA Police does not conduct no-knock entries. Thus, in calendar years 2022-2023, CIA Police did not execute any no-knock entries, and no persons were injured in the course of a no-knock entry.
